

TEES RIVERS TRUST COVID-19 VOLUNTEER DECLARATION FORM

Dear Volunteer,

We are eager to welcome all existing and new volunteers to help us to protect and enhance the environment of the River Tees and its catchment, whilst doing our utmost to keep everyone safe during the coronavirus (COVID-19) pandemic, and are committed to the health and safety of all volunteers, staff, and members of public.

We have produced a volunteer activity policy to be adhered to during the coronavirus (COVID-19) pandemic, based on published government guidance and reviewed on a regular basis according to changes to government restrictions and advice (TeRT 11.2 Volunteer activity policy during coronavirus (COVID-19) pandemic). This policy provides best practice safety guidelines for our volunteer activities, and the procedures you are required to follow to keep yourself and everyone else safe.

Any volunteer acting under the direction of any employee is covered by our public liability insurance, but this does not cover volunteers if they contract coronavirus (COVID-19) during a volunteer activity.

Please read our Volunteer activity policy during coronavirus (COVID-19) pandemic document and sign and date the declaration below if you agree to adhere to our COVID-19 policy for the safety of all staff, volunteers and members of public. Once signed, please return to a member of staff at Tees Rivers Trust.
